FOR THE WORLD OF INDUSTRY

## Arrow-Magnolia International Inc

Since 1927, Arrow-Magnolia has manufactured and marketed products developed to solve everyday problems arising from the cleaning and maintenance of buildings and equipment. We have built our reputation by solving customer’s cleaning and maintenance problems with high-quality products and personal service.

Arrow-Magnolia International, Inc. is a privately held, Native American woman owned manufacturing business. Our management team has over 150 years of combined experience in specialty chemical manufacturing sales and service.

Our primary business segments;

### Government

Native American Nations, Federal, State & Municipal Governments and Military. Arrow-Magnolia’s reputation for quality chemicals has made it a natural for governmental maintenance engineers. They depend on Arrow-Magnolia chemicals for cleaning and maintaining streets, sewers, equipment, interiors and exteriors of buildings and especially for cleaning and thereby protecting their taxpayer’s investment in all rolling pieces of equipment.

### Aviation

Arrow-Magnolia is a leader in the development of products for cleaning baked-on carbon, dirt, bugs, soot and grease from the exterior of all aircraft and, at the same time, provides cleaners for the interior — from carpets and headliners to chart covers and windshields, as well as deicing material and equipment.

### Construction

Arrow-Magnolia has a strong reputation for quality and reliability in the construction industry for developing products that remove dry, hard concrete and rust from forms and equipment. We also specialize in products for maintaining all phases of cleaning and degreasing heavy equipment, from removal of asphalt to asphalt release agents, to products that can be used through pressure washers and steam cleaners.

### Manufacturing & Industry

Arrow-Magnolia carries a number of proven specialized products needed to maintain industrial plants and equipment used in manufacturing. From specialized lubricants to removing grease and grime from equipment to soap for washing hands, Arrow-Magnolia is always the right choice.

### Hospitality & Recreation

Arrow-Magnolia’s history in developing specialty chemicals has made it a growing partner in the hotel property management and golf course industry. Arrow-Magnolia has become a “one-call-does-all” source for housekeeping and maintenance products.

No matter what your cleaning and maintenance needs, Arrow-Magnolia can help you solve the problem. Let us go to work for you!

#### AEROSOLS

- Automotive Products
- Lubricants
- Cleaners
- Polishes
- Degreasers
- Disinfectants
- Deodorants
- Coatings
- Leather & Vinyl Conditioner
- Solvents
- Insecticides
- Vandalism Remover
- Welder’s Anti-spatter

#### WATER TREATMENTS

- Cooling Tower Treatments
- Boiler Treatments
- Anti-foam Agent
- Algaecides
- Descalers

#### TRUCK & AUTOMOTIVE

- Car Wash
- Truck Wash
- Windshield Wash
- Degreasers
- Tar Removers
- Parts Cleaners
- Fuel & Oil Additives
- Aluminum Brightener
- Carburetor Cleaners
- Whitewall Cleaners
- Upholstery Cleaners & Protector
- Concrete Remover
- Asphalt Release Agent
- Tire Sealer

#### HAND CLEANERS

- Powdered
- Liquid (Institutional / Industrial)
- Hand Cleaners With Pumice
- Waterless Cream
- Neutral pH

#### DISINFECTANTS & DEODORANTS

- Sewer Line Deodorant
- Germicides
- Gel Air Freshener
- Air Sanitizers & Disinfectants
- Air Fresheners
- Fungicides

#### FLOOR FINISHES & SEALERS

- Concrete Sealers
- Floor Sealers
- Floor Finishes
- Dust Mop Treatments
- Floor Sweep (Oil & Wax Base)

#### MUNICIPALS

- Fire Fighting Products
- Sewage Treatments
- Emulsifiers
- Enzymes (Dry & Liquid)
- Live Bacteria
- Lift Station Degreasers
- Grease Trap Maintainer
- Refuse Control Products
- Order Control Products
- Health Department Products
- Sewer Pipe Cleaners & Deodorant

#### CLEANERS

- All Purpose Concentrates
- Biodegradable Liquids
- Organic Degreasers
- Tile & Grout Cleaners
- Wax Strippers
- Spot & Stain Removers
- Concrete Cleaners
- Acid Concrete Remover
- Derusting Compound (Hot & Cold)
- Drain Openers & Live Bacteria
- Food Plant Cleaners
- Bowl Cleaners
- Carpet Shampoo
- Glass Cleaners
- Laundry Powder
- Bleach
- Meter Brightener
- Germicidal Cleaners
- Steam Cleaners
- Ink Remover

#### INDUSTRIALS

- Anti-rust Products
- Rust Strippers
- Coil Cleaner
- Form release
- Safety Solvents
- Degreasing Solvents
- Scale Removers
- Coolants
- Rig Wash
- Antistatic Products
- Snow & Ice Treatments
- Protective Coatings
- Parts Cleaners
- Aluminum Brightener
- Masonry Cleaner
- Demoisturing Compound
- Epoxy Floor Patch
- Anti-skid Compound
- Paint Strippers
- Organic & Petroleum
- Tar Removers
- Street & Driveway Patching Compound
- Metal Patching Compound
- Hot Vat (Powder & Liquid)

#### WELDING ALLOYS

- Mild Steel
- Low Hydrogen
- Stainless Steel
- Dissimilar Welding
- Hardfacing
- Machinable Cast
- Dirt Cast Alloys
- Aluminum
- Gouging Electrodes

#### SUPERIOR SORBANT PRODUCTS

- Oil Only & Aggressive Spills
- Absorbent Pads
- Rolls
- Booms
- Sweeps
- Bulk Particulate

#### INSECTICIDES

- Residual Concentrate
- Contact Spray
- Water Base
- Mosquito & Fly
- Mist & Vapor Fogging
- Liquid & Granular
- Turf Insect Control

#### DISH DETERGENTS

- Powdered Dishwash
- Liquid Dishwash

#### GROUND

- Growth Retardant
- Surfactant
- Insecticides
- Non-selective Herbicides
- Selective Weed Killers
- Liquid Edger
- Soil Conditioners
- Ground Killers
- Aquatic Weed Killer
- Soil Binder
- Fertilizers

#### LUBRICANTS

- Food Plant
- Belt Dressing
- Penetrants
- Anti-seize
- Coolants
- Extreme Pressure Synthetic Moly
- Extreme Pressure Organic Moly
- Dry Lubricants
- Chain & Cable
- Fuel & Oil Additives
- Hydraulic Oil
- Open Gear
- Dry Lubricant
- Silicone Spray
- Gear Oil Tactifier
- Anti-Corrosion Grease

#### EQUIPMENT

- Hercules Ground Spraying systems
- Release Agent Dispensing Systems
- Concrete Acid Dispensing Systems
- Carpet Shampoo
- Air Guns
- Drum Pumps
- Proportioners
- Parts Washers
- Various Size Pump Sprayers
- Dispensers (Various Types)
- Foggers
- Grease Guns
