

Engineered Process Controls, LLC

Tel: 425-844-8901
Fax: 425-844-8904

www.engineeredprocess.com

18939 120th Ave NE #112
Bothell, WA 98011

Measurement & Instrumentation
Gas, Fire & Flame Detection
Actuators, Valves & Controls
Process, Laboratory, & Ambient Analyzers

Industries Served

Mineral Extraction & Processing

Power Generation
Fuel Terminals & Tank Farms

Scada & Telemetry

Gas & Fire & Flame Detection

Industrial Flame Monitoring

Engineered Process Controls, LLC

Tel: 425-844-8901
Fax: 425-844-8904

18939 120th Ave NE #112
Bothell, WA 98011

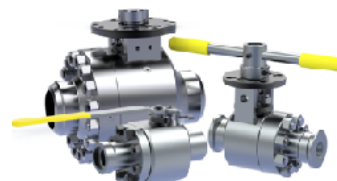

Actuators, Valves & Controls

- Remanufactured Fisher® Control Valves
- NEW Pneumatic Instrumentation
- Differential & Gauge Pressure
- Pneumatic Controllers & Indicators
- Current to Pneumatic Converters

- Metal Seated Floating Ball Valves
- Power & Critical Service Applications
- Inline Repairable
- Pressure Class: ASME 150 - 4500

Pressure, Temperature, Analytical

- Differential Pressure
- Absolute, & Gauge Pressure
- Remote Seals
- IAN (battery-power)
- Temperature Transmitters
- Thermocouple, RTD, Thermowell

Engineered Process Controls, LLC

Bothell, WA 98011

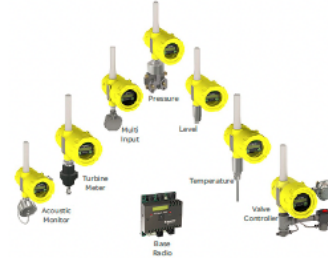

SCADA Software, Controllers, and EFM's

- **SCADAPack** RTU's
- **Geo SCADA Expert** (formerly ClearSCADA)
- **Well Monitoring & Control**
- **Gas & Liquid EFM's**
- **DNP3 Support - Secure Authentication**

Wireless Instrumentation

- **Accutech** Wireless Instrument Network
- **IAN** (Wireless HART ®)
 - Pressure
 - Level
 - Flow
 - Analog, Discrete I/O
- **Foxboro** Instrumentation

Radios for SCADA and I/O

Elpro Technologies I/O Radios

- Discrete and Analog I/O
- Routers & Gateways
- Battery Powered Configuration IP66 C1D2
- DIN Rail Compact Configuration
- License and License Free

TRIO Data Radios

- 900 MHz, 2.4 GHz Spread Spectrum License Free
- 150 MHz, 450 MHz License
- Serial & Ethernet

Tel: 425-844-8901
Fax: 425-844-8904

18939 120th Ave NE #112
Bothell, WA 98011

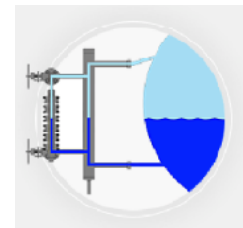

Tank / Boiler Level

- Float & Tape Level Gaging
- Meets API Chapter 3.1B Inventory Control
- Fuels Manager for Terminal Automation
- Servo & Radar Gages

- Electronic Boiler Steam Drum Level Systems
- Mechanical Level Gages
- TWIP, Drip Leg Systems
- Complete Packaged Modular Systems

Flow Metering Solutions

- Magnetic
- Vortex
- Coriolis
- Differential Pressure

- Thermal Mass Flow Meters
- Inline & Insertion Flow Meters
- Thermal Mass Flow Switches

Tel: 425-844-8901
Fax: 425-844-8904

Gas, Fire Detection & Industrial Flame Monitoring

Honeywell
Gas & Fire & Flame Detection
Honeywell

Industrial Flame Monitoring

- Toxic & Flammable Gas Detection
- Open-Path IR LEL Detection
- Controllers, Single & Multichannel

- Boiler / Burner Flame Scanners
- Single Scanner/Processor
- UV/IR Flame Scanners
- Digital Processors

Process Analyzers and Online Concentration

K-PATENTS IS NOW **VAISALA**
VAISALA LIQUID MEASUREMENTS

- Online Concentration Analyzers
- Digital Optically Based & Temperature Compensated
- BRIX Measurements
- Sulfuric Acid Alkylation
- Amine Gas Treatment
- KOH & Bulk Chemicals in Semiconductor

UE UNITED ELECTRIC
CONTROLS

- Wireless Gas Detection
- Pressure & Temperature Switches
- Thermocouples & RTD's
